

CHLOE GRIGGS

SENIOR PRINCIPAL CONSULTANT

PROFESSIONAL EXPERIENCE

Chloe has a proven capability of managing and leading teams of up to 50 people in achieving successful results. She has direct experience in delivering change programs, leading inclusive teams and planning and implementation of effective communication strategies. She has considerable experience in working with the most senior of leaders, understanding their needs and converting them into concrete actions. Chloe values a curious approach that gets to the nub of an issue, understands the need for a high-performance culture, and manages performance issues with integrity, motivating people to achieve their best.

Her military background combined with consulting experience in the high-tempo world of reputation management and public affairs gives her a level-head in the most trying and complex of circumstances.

She has a demonstrated flair for human resource management, people are central to Chloe, she is passionate about ensuring teams and leaders have clear expectations and believes that the basics of day-to-day personnel management are the enablers of organisational success. She values and delivers timely constructive feedback, investing in her people with compassion and integrity; building her networks to further enhance her skills.

Chloe has delivered consistently sound advice and considered decisions in both civilian and military roles. Her creativity and congenial personality ensure a balanced approach is applied to all tasks and situations presented within the workplace.

Chloe's areas of specialisation include:

- Strategic communication planning & advice
- Leadership and management
- Media liaison, crisis and issues management
- Reputation management
- Writing and editing
- Facilitation and instruction
- Change management
